PLUGGING IN THE AC ADAPTER

The Soulra comes equipped with an AC adapter. Plug the AC adapter into the right socket labeled DC, under the rubber plug on the back of the Soulra; plug the other end into an AC socket. With the AC adapter plugged in, the Soulra starts charging its Li-ion battery and is ready to play.

iPod/iPhone CHARGING

8

The iPod / iPhone starts charging once it is inserted. When the Soulra's POWER is OFF it can still charge your iPod/iPhone. *Please be advised that leaving your iPod/iPhone after it has received a full charge from the Soulra, will continue to drain the Soulra's internal battery.*

ADJUSTING THE VOLUME + -

Adjust the volume buttons, **+ -**, to increase or decrease the volume. The volume value will be shown on the iPhone if it is inserted.

BASS BOOST FUNCTION

Press the **bass** button to turn on Bass Boost.

MODE **m**

The MODE **m** button switches between the iPod and AUX-in if there is a signal input from the port of the AUX-IN. The iPod signal takes priority if there is an iPod signal and an AUX-in signal at the same time. If the AUX-in signal is existent (aux_det), the switching function of the MODE button is available.

PLAY/PAUSE **▶||**

Pressing the **▶||** button switches from play to pause for the iPod.

LIMITED WARRANTY

Etón Corporation (Etón) offers a limited warranty to the original customer against manufacturing defects in material and workmanship on this product. This warranty is valid only for the original purchaser and is not transferable.

TWO (2) YEARS PARTS AND LABOR - Europe **ONE (1) YEAR PARTS AND LABOR - North America**

This limited warranty begins on the original date of purchase, and is valid only on products purchased through an authorized Etón retailer. Warranty repairs must be performed by Etón or an authorized service center. To receive warranty service, the original dated bill of sale, or a copy, must be presented upon request as proof of purchase. Installation, removal or reinstallation of the product is not included under this warranty. Shipping to Etón or the authorized service center is the responsibility of the purchaser. For products purchased in Europe, please return to your dealer or the distributor of your country, which is listed on a sheet included in the packaging.

Etón will repair or replace this product, at our option and at no charge, with new or reconditioned parts if this product is found to be defective during the limited warranty period. To be eligible for warranty coverage, the product must be returned with shipping charges prepaid no later than 15 days after the expiration of the warranty period to Etón or the designated service center. Prior to

returning any product for warranty service, the purchaser must contact Etón or the designated service center for troubleshooting and service procedure instructions. Damaged parts or products become the property of Etón. Parts and products replaced by Etón assume the remaining original warranty, or ninety (90) days, whichever is longer.

This limited warranty covers manufacturing defects in material and workmanship encountered in normal, noncommercial use of this product and shall not apply to the following, including, but not limited to: damage that occurs due to applications and uses for which the product was not intended; failures or problems that are caused by products or equipment not supplied by Etón; accidents, misuse, abuse, neglect, misapplication, fire, water, lightning, or other acts of nature; incorrect line voltage, fluctuations, or surges; damage caused by improper or faulty installation; damage caused by acid leakage from improperly installed or defective batteries; product alteration or modification; or use of unauthorized parts, supplies, accessories, or equipment that damage this product or result in service problems.

SERVICE INFORMATION

To obtain service for your Etón product, first contact an Etón service representative at 1-800-872-2228 US, 1-800-637-1648 Canada or your respective country distributor in Europe (see enclosed list) for troubleshooting. Many common questions and problems can be resolved over the phone.
